

Perivoli Lagoon House

A private oasis on the water's edge

In a pocket of the Overberg secreted away within a conservation area, Perivoli Lagoon House is precisely the sanctuary you need right now – stylish digs overlooking a shimmering estuary enfolded by looming mountains. And just down the road, a huge stretch of unblemished beach sheltered by tall dunes and washed by the Atlantic.

The Perivoli Lagoon House is set in a stunning, isolated, 140ha wilderness of colourful Fynbos biome, a stone's throw from the Kleinriver lagoon with panoramic views of the Lagoon and the majestic Kleinriver Mountains.

The ultra-contemporary stylish villa is adorned with thoughtful touches, tasteful African-sourced artefacts and artwork. An infinity pool and a large deck overlooking the Lagoon and its birdlife provide a luxurious haven in the heart of nature. The only dwellings in view are those on the opposite side of the Lagoon.

The House is owned by the philanthropically-focussed Perivoli Trust, which dedicates its efforts to conserve natural habitats and to improving the quality of education, particularly of nursery school-aged children in sub-Saharan Africa. All profits of the House go to these causes.

We look forward to welcoming you to our oasis, where we hope you will enjoy peace and tranquillity and take pleasure in the knowledge you are helping to conserve our planet and assist in providing a better start in life for the less fortunate.

Perivoli Lagoon House

The 4-bedroom villa is available for exclusive use only and can be rented on a fully inclusive or Bed & Breakfast basis. The location is a perfect getaway and an oasis of serenity and tranquility that offers complete privacy on the water amidst the Cape floral kingdom.

LOCATION & ACCESS

Conveniently situated on the celebrated Garden Route within driving distance of Cape Town, Hermanus and Stanford, the Lagoon House is a peaceful base for discovering some of the Western Cape's most appealing destinations.

The property offers access to an otherwise inaccessible 18km isolated beach within the Walker Conservancy, boating on the Lagoon, guided birdlife walks along its shores, horse riding and quad biking. For wildlife enthusiasts, encounters with rare species such as caracals and African wild cats amongst the Fynbos are not unlikely.

Whale watching (for which the region is well known), shark cage diving, trips to neighbouring wine estates, mountain biking and golfing are all close at hand.

The delightful town of Stanford with its boutique shops, cafes and restaurants is only ten minutes drive, as are several celebrated more upmarket restaurants for the foodie.

2 hours' drive from Cape Town City centre and 1.5 hours from Cape Town International on good roads

Helicopter flights can be arranged from Cape Town to the property at an additional charge.
