

The Alphen Boutique Hotel has modern amenities, plush comforts and high-tech facilities with all the trimmings of a 5-star hotel and more. Perfect for leisure and corporate travellers, local and international guests alike.

Not your typical 5-star hotel, a playful twist has been added to the décor and design, whilst preserving the tradition and rich backdrop of this historical Cape Dutch establishment located on an 11.5 acre estate with landscaped garden and centuries old oak trees.

The concept is that of a complete marriage of old and new and this includes an extensive private collection of antique furniture and art, combined with specially commissioned oversized works.
